EGO is the #1 rated brand in cordless outdoor power and the undisputed leader in cutting-edge technology and design. Every tool in our platform delivers or exceeds the power of gas—without the noise, fuss, or fumes. Our patented ARC Lithium™ technology makes the EGO POWER+ platform the most advanced in the industry and universally compatible with all 70+ in the growing EGO POWER+ platform and packed with power for unrivaled performance and long run times. In every season, for any outdoor challenge, count on EGO tools to deliver the power, performance, and innovation you need.

#1 RATED BRAND
EGO is the #1 rated brand in cordless outdoor power according to industry experts and purchasers based on power, performance, durability, and value.

POWER AND PERFORMANCE OF GAS
All EGO tools deliver or exceed the power and performance of gas—without the noise, fuss, or fumes—guaranteeing maximum power, longer run times, and industry-leading recharge times.

INDUSTRY’S MOST ADVANCED TECHNOLOGY
Our patented ARC Lithium™ technology is the most advanced in the OPE industry with its shock-resistant design, intelligent power management, ARC Lithium™ design, and keep-cool cell technology.

INNOVATION
No matter which EGO tool you use, you can expect groundbreaking innovation that solves for pain points, such as such as world’s first LINE IQ™ Technology, World’s first platform-compatible ZTR and world’s first auto tensioning technology.

BATTERY POWER WITH ZERO COMPROMISE

POWER OF GAS
NO NOISE, FUSS, OR FUMES
ERGONOMIC DESIGN
DURABLE BUILD
PLATFORM COMPATIBILITY
RELIABLE OPERATION
FASTER CHARGING AND LONGER RUN TIMES
THE MOST ADVANCED TECHNOLOGY IN THE INDUSTRY

Our patented 56V ARC Lithium™ technology is the most advanced in the industry. Unlike other battery packs—which are shaped like bricks and retain heat—ours follows a patented “arc” design to prevent overheating and push heat away. The sealed, shock-resistant design protects batteries from drops and the elements—guaranteeing the highest level of performance and durability. Inside, we developed the most advanced software-management system to maximize power and run time.

Our proprietary Keep Cool™ cell technology works with each battery cell to maintain long-lasting power and unmatched performance. With the industry’s most advanced battery technology, every tool delivers or exceeds the power and performance of gas without the noise, fumes, or flames.

WHAT MAKES EGO SUPERIOR? INDUSTRY’S MOST ADVANCED TECHNOLOGY

56V BATTERIES DELIVER MORE USABLE POWER THAN ANY OTHER HANDHELD BATTERY

ARC LITHIUM™ 56V

56V BATTERIES DELIVER MORE USABLE POWER THAN ANY OTHER HANDHELD BATTERY

BATTERY PERFORMANCE OF CORDLESS PLATFORMS

BATTERY EXPERTISE

Over 25 years’ experience in developing best-in-class batteries in-house

BETTER PERFORMANCE IS BUILT IN

No matter which EGO battery you choose, you’ll get:

- Protection from drops and the elements, thanks to our shock-resistant design
- Our patented power management system to maximize power and runtime
- Revolutionary phase-change material that keeps cells running cool
- An integrated fuel gauge that shows you how much power is left
- A three-year limited warranty*

*Up to 5 depending on model. See egopowerplus.com for details.
Performance of a battery is determined by a combination of \textit{ENERGY}(\text{Wh}) and \textit{POWER}(\text{W})

\[
\text{VOLTAGE} \times \text{CURRENT} = \text{POWER} \quad \text{(V)} \times \text{(A)} = \text{W}
\]

\[
\text{CAPACITY} \times \text{VOLTAGE} = \text{ENERGY} \quad \text{(Ah)} \times \text{(V)} = \text{Wh}
\]

\text{NOT ALL VOLTS ARE CREATED EQUAL}

\text{VOLTAGE ≠ PERFORMANCE}

\begin{align*}
\text{CAPACITY} & \times \text{VOLTAGE} = \text{ENERGY} \\
\text{(Ah)} & \quad \text{(V)} & \quad \text{(Wh)}
\end{align*}

\begin{align*}
\text{VOLTAGE} & \times \text{CURRENT} = \text{POWER} \\
\text{(V)} & \quad \text{(A)} & \quad \text{(W)}
\end{align*}

\begin{align*}
\text{FROM EMPTY TO FULLY CHARGED, IN JUST 30 MIN}
\end{align*}

With a range of battery sizes available from 2.5Ah to 12Ah, you can choose the power you need. When it’s time to recharge, the EGO POWER+ Turbo Charger is among the fastest on the market. The intelligent battery control system constantly monitors each cell’s charge and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. So you’ll always have a battery ready for all-day power and run time.

The EGO Power+ Z6 Zero Turn Riding Mower is a ZTR like nothing else out there. Featuring Peak Power™ technology, it’s powered by up to 6 EGO 56V ARC Lithium™ Batteries—the same battery technology powering all EGO products, making it the world’s first platform compatible rider. Delivering 22 to 25 horsepower—equivalent to a gas engine—and reaching a top speed of 8 MPH, the Z6 covers up to 2 acres (ZT4204L), 2.5 acres (ZT4205S), or 4 acres (ZT5207L) on a single charge. It’s fully expandable—add more batteries to cut as many acres as needed! The Industry’s Fastest Charger fully charges 40Ah in just 2 hours, 4x faster than competitors. Independent brushless motors deliver the power and performance of gas. Adjustable seat suspension delivers a comfortable mowing experience. Customize the ride with an LCD interface featuring 3 driving modes—Control, Standard, and Sport—that can be accessed with the simple touch of a finger. Premium features like LED lights, a USB charging port, and Bluetooth come standard to make the experience unlike any other ZTR on the market. Experience zero-turn mowing like never before with the EGO Power+ Z6 Zero Turn Riding Mowers, with 3 models to choose from—Power Like No Other.

**ZT4205S**
42” Zero Turn Riding Mower
Drives like a car, turns like a ZTR! Introducing the industry’s first e-STEER™ technology, which delivers ultimate control with the added precision of a steering wheel. This Zero Turn riding mower with Peak Power™ technology and 22 HP covers up to 2.5 acres on a single charge with kitted 4x12.0Ah batteries.

**FEATURES**
- E-STEER™ Technology for ultimate control & precision
- 22 Horsepower equivalent
- CUTS UP TO 2.5 ACRES ON A SINGLE CHARGE
- *With 4 included 12.0Ah batteries*
- 4 EFFICIENT BRUSHLESS MOTORS
- PEAK™ POWER TECHNOLOGY
  - Platform compatible
  - The power of 56V ARC Lithium™ batteries that can be used across all EGO tools
- 32 LED LIGHTS FRONT, SIDE, AND REAR
- CUSTOMIZE YOUR RIDE—3 DRIVING MODES (CONTROL, STANDARD, SPORT)
- ADJUSTABLE SEAT SUSPENSION FOR ULTIMATE COMFORT
- 4 EFFICIENT BRUSHLESS MOTORS
- 42” 12 GAUGE STAMPED DECK

Zero Turn riding mower with Peak Power™ technology and 22 HP to cover up to 2 acres on a single charge with kitted 4x10.0Ah batteries.

42" Z6 ZERO TURN RIDING MOWER
- 5 INDEPENDENT BRUSHLESS MOTORS
- MULCHES AND BAGS LIKE PREMIUM GAS
- CUSTOMIZED PEDAL BOX: 3 DRIVING MODES (CONTROL, STANDARD, SPORT)
- ONE-HAND HEIGHT ADJUSTMENT WITH 10 CUTTING HEIGHTS (1.5-4.5"
- BALANCED, LOW PROFILE DESIGN FOR HILLY SURFACES
- CARRYING CONVENIENCE: CUP HOLDERS AND COMPACT STORAGE
- INDUSTRY’S FASTEST CHARGER! 40AH IN 2 HOURS
- COMBINES THE POWER OF 6 EGO ARC LITHIUM™ BATTERIES
- ONE-HAND HEIGHT ADJUSTMENT WITH 10 CUTTING HEIGHTS (1.5-4.5"
- CUSTOMIZE YOUR RIDE: 3 DRIVING MODES (CONTROL, STANDARD, SPORT)
- ADJUSTABLE SPRING SUSPENSION FOR ULTIMATE COMFORT
- 32 LED LIGHTS FRONT, SIDE AND REAR
- STAY CONNECTED: BLUETOOTH, USB CHARGING PORT, PHONE HOLDER
- 52" 10-GAUGE FABRICATED STEEL CUTTING DECK

The EGO POWER+ 21” Select Cut™ XP Mower with Speed IQ™ self-propel technology digitally senses and adapts speed to your stride, no levers or dials to adjust. Plus, an industry-first digital display integrated into the handlebar provides real-time information to monitor lawn mower speed, battery charge status, and blade speed selection.

The 21” Select Cut™ XP Mower with Speed IQ™ delivers 8.3 foot-pounds of cutting torque—power that excels gas without the noise, fumes, or fumes. The Select Cut™ Multi-Blade System is equipped with three interchangeable lawn blades: the Mulching Blade, High Lift Bagging Blade, and Extended Run Time Blade.

This cordless lawn mower harnesses the power of the industry’s most advanced 56V ARC Lithium™ batteries to deliver up to 90 minutes of runtime on a single charge.

*Run time may vary and depend on the battery used, charge level of battery, condition of grass, and user’s operation technique.
**Automatic Variable Speed delivers optimal cutting speed to maximize battery run time while maintaining grass cutting performance. Kit includes highlighted battery and Rapid Charger.
WORLD’S MOST INNOVATIVE STRING TRIMMER ASSORTMENT

The EGO POWER+ String Trimmer assortment features everything from industry-leading innovations to a large cutting swath to cut any task down to size.

Patented Line IQ™ technology is the world’s first auto-sensing technology that monitors and feeds the line for a continuous 16-inch cutting swath for non-stop, high-performance trimming—no bump needed! Patented POWERLOAD™ technology automatically winds your trimmer line to make line replacement as easy as feeding the line into the head and pressing a button!

A carbon fiber shaft makes the POWER+ POWERLOAD™ String Trimmer with LINE IQ™ the strongest string trimmer on the market, with the shaft backed by a lifetime warranty.

PATENTED POWERLOAD™ TECHNOLOGY

POWERLOAD™ FEED THE LINE PUSH A BUTTON

1. Insert the line into the eyelet and push the line until the end of the line comes out of the opposite eyelet.
2. Pull the line from the other side until equal lengths of the line appear on both sides of the trimmer head.
3. Press and hold the line-loading button to start the line-winding motor.
Powered by a high-efficiency brushless motor, EGO POWER+ Blowers feature jet turbine technology and a large diameter tube to give maximum airflow. The variable-speed function is designed to keep you in control, even in Turbo mode that’s capable of pushing air up to 200 MPH, depending on the model. That’s more than most hand-held gas blowers on the market and that’s enough to easily power through wet leaves, caked on grass, rocks, mud, snow and more.

With a powerful and smooth high-efficiency brushless motor, it's lightweight, perfectly balanced, and ready for any job, big or small. With a single power unit and many different attachments, it's easy to see why the EGO POWER+ Power Head System is a very handy tool to have around. The simple and secure tool-free coupling makes switching attachments quick, easy, and safe. And with our innovative 56V ARC Lithium™ battery supplying all the power you need, you can breeze through a variety of jobs without the fuss or fumes and with less noise than traditional gas-powered tools. Plus the extension pole gives you the reach to tackle any height.

**ATTACHMENTS AVAILABLE:**
- Extension pole
- Pole saw
- String trimmer
- Hedge trimmer
- Edger
- Cultivator
- Bristle brush
- Rubber broom
- Snow shovel

EGO POWER+ Chain Saws are built tough to tackle even the hardest jobs. From branches to logs and trunks, nothing gets in its way.

The tool-free chain tensioning system makes for simple setup and easy on-the-fly adjustments. Check the lubrication level through the oil inspection window and you’re ready to go.

It really cuts it when it comes to safety, too. The chain kickback and electric brake protect you while you work. And the auto-lubrication system keeps the chain spinning freely at all times.

Plus, with EGO’s 56V ARC Lithium® battery delivering impressive run times and incredible power on a single charge, it’ll keep you working cut after cut after.

Introduces an industry-first LED Cut Line Indicator for more accurate cuts when working under dark, shaded canopies and low light conditions.
### HT2410 / HT2411 24" Hedge Trimmer

- **Blade Length**: 24"  
- **Blade Gap**: 1"  
- **Run Time**:  
  - 2.5Ah: Up to 60 mins  
  - 5.0Ah: Up to 150 mins  
  - 7.5Ah: Up to 225 mins  
- **Speed Control**: Single speed  
- **No Load Speeds**: 3,000 spm  
- **Blade Type**: Hardened steel cutting blade  
- **Cutting Action**: Dual-action, Single-Sided Cutting Blade  
- **Weight Without Battery**: 6.16 lbs  
- **Water Resistant Rating**: IPX4  
- **Increased Cut Capacity**: 1.2"  
- **Strokes per Minute**: 3,400  
- **Brushless Motor**

### HT2500 / HT2501 25" Hedge Trimmer

- **Blade Length**: 25"  
- **Blade Gap**: 1.25"  
- **Run Time**:  
  - 2.5Ah: Up to 75 mins  
  - 5.0Ah: Up to 150 mins  
  - 7.5Ah: Up to 225 mins  
- **Speed Control**: Single speed (high/low)  
- **No Load Speeds**: 2,800/3,200 spm  
- **Blade Type**: Laser cut, diamond ground cutting blades  
- **Cutting Action**: Double-sided Cutting Blade  
- **Weight Without Battery**: 6.92 lbs  
- **Water Resistant Rating**: IPX4  
- **Increased Cut Capacity**: 1.25"  
- **Strokes per Minute**: 3,200  
- **Brushless Motor**

The EGO POWER+ 26" Hedge Trimmer features dual-action blades that deliver up to 3,400 strokes per minute for fast, clean cuts. Its strong and light carbon fiber rail is an industry first, delivering ultimate durability, backed by a lifetime warranty. The hedge trimmer features a five-position, 180-degree rotating handle that delivers ultimate control. This cordless hedge trimmer has a 1.2-inch cut capacity to tackle thicker branches along with a serviceable gearbox to make blade sharpening quick and easy. Its high-efficiency brushless motor delivers low runtime, low vibrations, and extended tool life. IPX4-rated weather resistance delivers protection from the elements. Experience a cordless hedge trimmer that can truly replace gas.

**WORLD'S MOST POWERFUL AREA LIGHT**

Introducing the EGO POWER+ Portable Area Light, the world’s most powerful area light in handheld cordless outdoor power. Adjustable from 600-10,000 lumens, use as an ambient mood light, effective task light, and so much more. Activate boost mode for best-in-the-class 10,000 lumens to illuminate large areas. With its compact design and integrated handle, easily store this light or take it on the go! This light is equipped with rafter hooks for hanging overhead and a tripod mount to cast light over an entire room. Premium features like a USB-A Port come standard to make the experience unlike any other, allowing you to power or charge essential devices.

**WORLD'S MOST POWERFUL MISTING FAN**

Introducing the EGO POWER+ 18" Misting Fan! This fan has double the airflow of a standard 20-inch box fan. Five different speed settings allow you to adjust airflow to your liking from 1,500 CFM to 5,000 CFM for ultimate control. With its telescopic handle and durable wheels, take advantage of superior portability. Bring to sporting events, tailgates, beach days, patio hangouts, and more! Ideal for cooling down indoor and outdoor environments with quiet operations of just 42dB on Speed 1. Simply drop the intake filter in a bucket to cool down 540 square feet, equivalent to a large entertainment patio!
The EGO POWER+ 28 in. Self-Propelled 2-Stage Snow Blower with Peak Power™ exceeds the power and performance of gas without the noise, fumes, and fumes. Featuring Peak Power+ technology, EGO’s most powerful cordless snow blower combines the power of any two EGO 56V ARC™ Lithium batteries with a steel auger, a 28-inch clearing width, and 21-inch clearing height to churn through the absolute worst winter can unleash on you—and throws it up to 60 feet away. Its 2-in-1 electronic chute adjustment delivers effortless control of the 200-degree chute direction and deflection so you can throw snow where you need it for efficient snow removal.

This 28-inch two-stage snow blower features heated handle grips to help keep your hands warm in the coldest, snowiest conditions while trigger-controlled steering assists with turning the machine for added control. Clear a 32-car driveway with 8 inches of snow on a single charge with two included 12.0Ah ARC™ Lithium batteries. Get the job done easily with variable-speed self-propelled forward and reverse directions, four LED lights for added visibility in early morning or evening, and 16-by-5-inch snow tires for added traction in slippery conditions. Experience Power Beyond Belief™ with the EGO POWER+ 28 in. Self-Propelled 2-Stage Snow Blower with Peak Power™ and the entire EGO POWER+ lineup.
SNT2405 / SNT2406
EGO POWER+ 24" 2-STAGE SNOW BLOWER

Robust steel construction and 50-foot throwing distance

- 24" CLEARING WIDTH
- 20" INTAKE HEIGHT
- HEIGHT ADJUSTABLE HANDLE
- LED HEADLIGHTS
- 50' THROWING DISTANCE
- BRUSHLESS MOTOR
- CHUTE PITCH CONTROL LEVER
- 200° CHUTE ROTATION
- 170 lbs WEIGHT WITHOUT BATTERY
- IPX4 WATER RESISTANCE RATING

**Run time may vary and depend on the battery used, charge level of battery, user's operation technique and condition of snow.**
Featuring Peak Power™ technology the EGO POWER+ Snow Blower combines the power of any two EGO 56V ARC Lithium™ batteries for superior clearing power, even heavy, wet snow. Built with a high-efficiency brushless motor and a 21-inch clearing width, it can handle what the city snowplow leaves behind with ease.

Easily adjust the variable-speed auger for maximum control and to throw snow up to 40 feet! A robust, handle-mounted chute-adjustment lever puts the user in control when re-directing the snow up to 180 degrees from side to side. Two bright LED headlights make it convenient for use early in the morning or at night, and the robust steel chassis is built for aggressive use in demanding conditions.

EGO ACCESSORIES
A true alternative to compact gas generators

Say goodbye to the gas generator. The EGO Nexus Power Station can harness the power of any EGO battery to deliver clean, quiet power—indoors or out. The Nexus Power Station is the first portable power station of its kind. Use it as a power outage to plug in your refrigerator so the food does not spoil or plug in your microwave to cook the family a quick dinner. Bring the power station anywhere you do not have convenient power, like camping, hiking, boating, tailgating—the possibilities are endless.

Say goodbye to the gas generator. The EGO Nexus Power Station can harness the power of any EGO battery to deliver clean, quiet power—indoors or out. **POWER WHEN YOU WANT IT**
**POWER WHEN YOU NEED IT**
Introducing the new EGO Commercial Series. The next generation of pro tools delivers all-day power and performance, 365 days a year. And it’s no longer driven by gas.
EGO sets a new standard in POWER, PERFORMANCE & DURABILITY.

• Powered by EGO 56V ARC Lithium™ battery technology
• Carbon fiber shafts for ultimate durability
• IPX5 weather-resistant construction
• Digital brushless motors with intelligent power management
• Backed by 2-year warranty
• UV-resistant composite
LBPX8000 (COMING SOON)
EGO COMMERCIAL 800 CFM BACKPACK BLOWER
WITH PEAK POWER™

The next-generation EGO Commercial 800 CFM Backpack Blower delivers 800 CFM, air speeds up to 190 MPH, and 26N push force for all-day power and uptime. This battery-powered backpack blower features a high performance 1880W brushless motor with intelligent electronics to deliver power equivalent to a 60cc gas engine. Turbo performance with digital controls including a battery level indicator and speed control with turbo lock on the blower’s fully adjustable hand grip and side.

- Brushless motor delivers 1880W max power, 1380W rated power
- Peak Power™ combines the power of any two 56V 12.0Ah ARC Lithium™ batteries to deliver 800 CFM
- Runs up to 90 minutes on high with two 56V 12.0Ah ARC Lithium™ batteries
- 65 dBA

* Compared to previous EGO model

EGO COMMERCIAL 12” BIKE HANDLE BRUSH CUTTER

The EGO Commercial 12” Bike Handle Brush Cutter delivers more power than leading gas equivalents with its 1,600W high-performance brushless motor and intelligent electronics delivering 35cc equivalent. This durable brush cutter is designed for 25” hedge 25” under all-day professional use in the toughest conditions with its UV resistant composite housing, IP55 rated weather resistance, and strong and lightweight carbon fiber shaft. Plus, a variable speed, instant-on trigger for control and easier sweeping motion to power through everything from fine fescue grass to 1-inch saplings.

- 35cc gas engine equivalent
- Brushless motor delivers 1600W max power, 900W rated power
- Runs up to 60 minutes on low with a 56V 5.0Ah ARC Lithium™ battery
- Carbon fiber shaft for ultimate durability
- Three-speed digital control: 3,500 / 4,500 / 5,200 RPM
- Rapid Release allows you to get back to work in seconds
- 2-year warranty without wear-and-tear exclusions

* Compared to previous EGO model

EGO COMMERCIAL FIXED SHORT POLE HEDGE TRIMMER

The EGO Commercial Fixed Short Pole Hedge Trimmer features industry-leading durability with a carbon fiber shaft and rails. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance provides longer life for all-day trimming, sculpting, shaping, and pruning in the toughest conditions. Powered by 56V ARC Lithium™, its 1800W high-performance brushless motor with intelligent electronics delivers the power of a 25cc gas engine.

- 25cc gas engine equivalent
- Brushless motor delivers 1800W max power / 1200W rated power
- Runs up to 15 minutes with a 56V 2.5Ah ARC Lithium™ battery on low
- Carbon fiber shaft and rail for ultimate durability
- Serviceable gearbox and blades provide easy sharpening and customization to minimize downtime

EGO COMMERCIAL ARTICULATING POLE HEDGE TRIMMER

The EGO Commercial Articulating Pole Hedge Trimmer features industry-leading durability with a carbon fiber shaft and rails. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance delivers longer life for all-day trimming, sculpting, shaping, and pruning in the toughest conditions. Its articulating head rotates 135 degrees across 10 positions for ultimate control and precision. Powered by 56V ARC Lithium™, its 1800W high-performance brushless motor with intelligent electronics delivers the power of a 25cc gas engine.

- 25cc gas engine equivalent
- Brushless motor delivers 1800W max power / 1200W rated power
- Runs up to 16 minutes with a 56V 2.5Ah ARC Lithium™ battery on low
- Carbon fiber shaft and rail for ultimate durability
- Serviceable gearbox and blades provide easy sharpening and customization

EGO COMMERCIAL FIXED LONG POLE HEDGE TRIMMER

The EGO Commercial Fixed Long Pole Hedge Trimmer features industry-leading durability with a carbon fiber shaft and rails. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance provides longer life for all-day trimming, sculpting, shaping, and pruning in the toughest conditions. Powered by 56V ARC Lithium™, its 1800W high-performance brushless motor with intelligent electronics delivers the power of a 25cc gas engine.

- 25cc gas engine equivalent
- Brushless motor delivers 1800W max power / 1200W rated power
- Runs up to 15 minutes with a 56V 2.5Ah ARC Lithium™ battery on low
- Carbon fiber shaft and rail for ultimate durability
- Serviceable gearbox and blades provide easy sharpening and customization

EGO COMMERCIAL 10" TELESCOPIC POLE SAW

The next-generation EGO Commercial Telescopic Pole Saw features a robust, lightweight carbon fiber shaft for ultimate durability for all day professional use. Up to 1500W high-performance brushless motor with intelligent electronics is powered by 56V ARC Lithium™ to deliver the power of a 25cc gas engine. It has an 8-inch blade, adjustable guide wheel, and 3-inch max cutting depth. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance deliver all-day uptime in the toughest conditions.

- 25cc gas engine equivalent
- Brushless motor delivers 1500W max power / 1200W rated power
- Runs up to 60 minutes with a 56V 5.0Ah ARC Lithium™ battery
- Carbon fiber shaft for ultimate durability

EGO COMMERCIAL 8" CURVED EDGER

The new EGO Commercial Curved Edger features a thick curved aluminum shaft for ultimate control and visibility around curves. It has up to 1500W high-performance brushless motor with intelligent electronics powered by 56V ARC Lithium™ to deliver the power of a 25cc gas engine. It has an 8-inch blade, adjustable guide wheel, and 3-inch max cutting depth. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance deliver all-day uptime in the toughest conditions.

- 25cc gas engine equivalent
- Brushless motor delivers 1500W max power / 1200W rated power
- Runs up to 60 minutes with a 56V 5.0Ah ARC Lithium™ battery
- Curved thick aluminum shaft for ultimate durability and better line of sight

EGO COMMERCIAL 8" STRAIGHT EDGER

The next-generation EGO Commercial Straight Edger features a strong, lightweight carbon fiber shaft for ultimate durability for all day professional use. Up to 1500W high-performance brushless motor with intelligent electronics is powered by 56V ARC Lithium™ to deliver the power of a 25cc gas engine. It has an 8-inch blade, adjustable guide wheel, and 3-inch max cutting depth. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance deliver all-day uptime in the toughest conditions.

- 25cc gas engine equivalent
- Brushless motor delivers 1500W max power / 1200W rated power
- Runs up to 60 minutes with a 56V 5.0Ah ARC Lithium™ battery
- Carbon fiber shaft for ultimate durability
**Backpack Batteries**

**Designed to perform, built to last**
Delivering the run times you demand, EGO POWER+ backpack batteries can give you a full day’s work from a single charge. The high-quality cells with both high power rating and high energy density can handle up to 1,000 charge cycles. Plus, with fast recharging you can go from empty to full in just 3.5 hours.

**Flexible performance**
With long run times and user comfort, EGO POWER+ backpack batteries are perfect for all-day use. They’re compatible with all EGO POWER+ tools, and as the battery is on the harness and not the tools, they are lighter and even easier to handle.

**TEAM UP YOUR EGO POWER+ TOOLS WITH ONE OF OUR LITHIUM-ION BACKPACKS**
Balancing exceptional power with user comfort, EGO’s lithium-ion backpacks are ergonomically designed to keep you working all day long. The battery pack can be removed from the harness** allowing the battery to be shared among multiple users, each with their own harness.

To ensure optimum performance, efficiency, and longevity, these high-energy capacity batteries incorporate intelligent individual cell monitoring and balancing, both when powering a tool and when recharging.

**Flexible performance**

THE TOUGH ANSWER TO ROUGH GROUND

Perfectly balanced for comfortable use, the EGO Power+ Commercial Backpack Series String Trimmer make short work of even the roughest ground. Power comes from EGO’s Commercial Backpack Battery and the ready-for-anything 2,000-watt motor.

All this is channeled through the light and durable carbon fiber shaft. Unlike alloy shafts, it won’t bend and lose its shape over time, keeping vibration levels to a minimum.

STX3800
COMMERCIAL BACKPACK SERIES STRING TRIMMER

Leave the fuss and fumes of gas behind with this powerful, pro-standard tool. Pair up with our Commercial Backpack Battery BAX1501 for all-day power and comfort.

*Run time may vary and depend on the battery used, charge level of battery, condition of grass and user’s operation technique.
MAKES CUTTING HEDGES SHORT WORK

Designed for professionals, the Commercial Backpack Series Hedge Trimmer is precision engineered to tackle the toughest hedges with ease.

Blades that stay sharper for longer
The high-quality EGO POWER+ blades are made from laser-cut steel with diamond-ground edges, which are laser-hardened to stay sharp longer than conventional blades.

Run time may vary and depend on the battery used, charge level of battery, condition of hedge and user’s operation technique.
INDUSTRY’S MOST POWERFUL TOP-HANDLE CHAINSAW

EGO’s arborist-specialist tool. The Top-Handle Chainsaw is designed to tackle the challenges of all-day professional use and deliver the power of gas at 37.7CC that lasts up to 265 cuts.

With industry-leading ARC Lithium™ battery technology at its heart, the Top-Handle Chainsaw provides unrivaled power, torque, and chain speed, while benefiting from longer run times and fast recharging. And with no pull-cord, no need to run the tool in idle and no hot exhaust, switching to EGO ARC Lithium™ power makes more sense than ever.

A unique Chain-Brake Safety System is a cutting-edge combination of mechanical and electronic technology reducing the risk of injury, stopping the tool’s motor faster if kickback occurs.

CSC3000/CSX3003 COMMERCIAL TOP-HANDLE CHAINSAW
Designed to deliver best-in-class power, torque, and chain speed for the professional arborist

| BAR LENGTH  | 12" |
| CHAIN SPECS | 3/8” pitch / .043 gauge / 45 links |
| BATTERY CAPACITY (Ah) | 5.0 Ah |
| CHAIN SPEED | 20m/s |
| WEATHER RESISTANCE | IPX4 |
| TOTAL BATTERY ENERGY | 280Wh |
| CUTTING CAPACITY | Up to 265 cuts (with 5.0Ah battery) |
| AUTO-TENSIONING | No |
| AUTOMATIC OILING | Yes |
